

Ptarmigan Hunting

Welcome to hunt ptarmigan in beautiful Ljungdalsfjällen.

Autumn Hunting

25 August - November

We offer ptarmigan hunts over pointing bird dogs in Ljungdalsfjällen.

The grounds (260 – 520 hectares) that we hunt on are private and located next to Lake Öjön, 2 km from the nearest road. The terrain is pleasant and easy to move through.

Boats are available as we can also hunt on islands. Stay at the heart of the hunting grounds in our cosy 6-bed cabin or in our wood-heated Tentipi.

It is possible to hunt using your own dog, as well as to buy a hunting package with full or half board.

Winter Hunting

November - 28 February

We can offer winter hunting on this ptarmigan-rich land.

We use small-bore rifles of .22 calibre or 22 magnum. Moving silently across the frozen landscape on skis, hunting white ptarmigan is a fantastic experience. Prices from SEK 2250 per person/day.
