In Galhammar and Västra Vågen you can hunt at 1300 ha where you stay in simple hunting cottage at the ground or in nice hostel nearby. Grounds are situated about 50 minutes drive from Östersund.

## DAY 1

Your guide will meet you in the afternoon/evening at your accommodation. We will eat dinner together and go through the weekend's hunt. You will also get the story of the place and some nice history's about this kind of hunt. You will learn about traditions and community and that will create meaningful memories...

## DAY 2

You make your own breakfast and lunch to bring with you in the backpacks.

Your guide will meet you at your accommodation at 9.00 and takes you out hunting for birds in the top of trees. Weather, interest and hunting success will determine how long you hunt during the day.

You will eat dinner in the cottage in the evening prepared by yourselves or by your guide.

## DAY 3-5
