

Winterhunting for grouse in Ljungdalen 2019

We offer an exciting hunt for grouse where we hunt with dogs and rifles. This hunting is for them who looks for *physical challenge*. We ski out in the white, frosty landscape looking for grouse. We stay in the cosy hunting camp which is located directly into the hunting ground. Here we hunt on private land that has unique access to grouse.

After a long day of hunting on ski's you will have the possibility to relax in our sauna- a treat for body and soul.

Day 1: Guests arrive in Ljungdalen where we meet up at the tourist information. We go together to the cottage where we will have dinner together and some information about the weekend's game.

Day 2-3 : Breakfast. Guests prepare themselves a light lunch from the breakfast buffet to bring in backpacks. In the middle of the day we will break for lunch which we enjoy in the mountains. You cook your own dinner in the cottage in the evening. Possibility to stay in the relaxing sauna.

Day 4: After a nice sleep and breakfast you go back to the respective home destinations.

This is a Slow adventure package - inspiring connections with the outdoors. Surrendering to the natural forces of the environment as you reflect, reconnect and become closer to nature.
