

# Black Grouse and Capercaillie Hunting in winter 2020-21

We organize great top bird hunting for black grouse and capercaillie on good hunting properties in Jamtland. Choose from full or half board. The packages include hunting license and accommodation. You may hunt with a guide.

In Galhammar, Lundsjön and Västra Vågen you can hunt at 1600 ha where you stay in simple hunting cottage at the ground or in nice hostel nearby (prices in hotel from 50 euros extra/person/day). Grounds are situated about 60 minutes drive from Östersund.

## DAY 1

Your guide will meet you in the afternoon/evening at your accommodation. We will eat dinner together and go through the weekend's hunt.

## DAY 2

You make your own breakfast and lunch to bring with you in the backpacks.

Your guide will meet you at your accommodation at 9.00 and takes you out hunting for birds in the top of trees. Weather, interest and hunting success will determine how long you hunt during the day.

You will eat dinner in the cottage in the evening prepared by yourselves or by your guide.

## DAY 3-5

Same as day 2. After completing the last day's hunting you return to the cabin and depart for home.

After hunting there are many possibilities to do and see other things around the area; ice fishing, snowmobile, watching the northern lights, shopping etc.

Dates: 1 December – 31 January
