

Black Grouse and Capercaillie Hunting with barking dogs in Mid Sweden

I organize bird hunting for black grouse and capercaillie in different places in Jämtland and Härjedalen, Mid Sweden.

Choose from full or half board. The packages include hunting license and accommodation. You may hunt with a guide and barking dogs.

Your guide will meet you in the morning at your accommodation. You make your own breakfast and lunch package to bring with you in the backpacks.
