

Grouse hunting Edefjället Kolåsen - Gold package

During the absolute best hunting weeks of autumn, we offer an experiential hunt with pointing dog on the beautiful land of Edefjället in Åre municipality. You stay comfortably at Kolåsen's mountain hotel with full board. Here we hunt on private land that has a unique population of grouse.

After long hunting days on the mountain, you can relax with a sauna or hot tub before being served a delicious three-course dinner. You stay in single or double room.

Good hunt!

Day 1: Guests arrive at Kolåsen's mountain hotel and check in. Enjoy a mountain drink with snacks offered by our own guide and have a chat about the hunting program. The evening is rounded off with a 3 course dinner.

Day 2-3: Breakfast. The guests themselves prepare a light lunch bag from the breakfast buffet to take with them in their backpacks. We drive in our respective cars for about 30 minutes to the hunting ground and hunt our way through the day with breaks for a packed lunch which we enjoy out on the mountain. After the end of the hunting day there is time for own activities and rest before dinner.

Day 4: After a good morning's sleep, you spend the morning as you wish; fishing, paddling, picking mushrooms or berries or just enjoying the mountains. You leave your room no later than 11.00 and leave back to your respective home destination.

Other: The dinners are prepared from local ingredients as far as possible and often game-inspired.
