

Welcome to trophy hunting for moose in the majestic countryside of Jämtland, Mid Sweden 2024

Bring a friend and come for moose hunting in the beautiful area of Jämtland. We hunt with trained barking hunting dogs. Hosts for the hunt are Evelina Åslund Bäck, the owner of JoyEvent, and the guide Roger Åslund Bäck.

The hunt:

You will hunt with a professional guide that together with his dogs will guide you in the beautiful hunting area. The dog handler will search the grounds and you and your friend will take turns to accompany the dog handler or to sit and wait in a stand. If you want to join the dog handler you have to be welltrained and fit. The terrain is tuff with lots of swamps to pass.

Accommodation:

You will stay with full board in a hotel Wången www.wangen.se and have all your meals there. The accomendation is situated about 30 minutes from huntingground.

Autumn in the Swedish mountains is very beautiful. The color of the leaves is red and yellow and there are almost no mosquitoes left. Its cold in the morning and at night so you need to bring warm clothes. We will have pick up transfer from the Åre Östersund airport.
